FREE DINNER FOR TWO

—Just for checking your email!

Twice monthly, sometimes more, Cap'n Clawed Lobster and Lady Bisque send an email with information about promotions, new menus, and other goings-on at Marblehead. Each month, we randomly pick three lucky Captain's Club members to win a FREE Lobster Dinner for Two simply by identifying their club number if listed in the email. Don't miss out! Look for your email from Marblehead, usually around the first and 15th of each month, and check your club number!

POINTS FOR YOUR OPINION

One of the huge benefits of our new Captain's Club system is the ease of gathering guests' opinions after their visit to the Chowder House. Very soon afterwards, if randomly selected, by email you will receive a simple five-question survey about your food, service and experience at Marblehead. If you choose to help our cause by replying, you get 100 Captain's Club Bonus points.

Your feedback is invaluable to us and we've already made some adjustments and improvements based on criticism and suggestions. Thanks! We appreciate your helping us stay at the top of our game...and informing us when we fall short.

E-DINING CLUBS

—Special Offers for Special Likes

As part of our ever improving Captain's Club Advantages, we are offering three Exclusive Dining Clubs for those with specific and special interests. Sign up for either our LUNCH BUNCH, ATE @ EIGHT or OYSTER LOVER'S CLUB the next time you visit the Chowder House. You will receive valuable offers tailored just for your affinity! You may select only one club and offers will be only by email. Plug in today.
